

AMISHVIEW

I N N & S U I T E S

What to Expect During Your Stay

The health and safety of our guests and staff is our highest priority. As such, it is necessary to modify operations to comply with local, state or federal guidelines established to slow the spread of COVID-19.

Country Buffet Breakfast

Our modified buffet breakfast may be enjoyed in our Great Room where tables have been appropriately distanced for your safety.

Swimming Pool and Fitness Area

Our swimming pool and fitness areas are now open.

Room Cleaning

If you are staying multiple nights, we are limiting staff/guest interaction and will be offering a modified daily stayover service. Our staff will be happy to make sure you have refreshed amenities, however staff will not be permitted inside an occupied guest room unless there is a special circumstance requiring attention. Please contact the front desk with any questions or needs.

Staff and Guest Safety

We ask that our staff and guests adhere to all current local, state and federal COVID-19 and other safety guidelines. To that end, staff and guests should:

- Wear a mask or face covering at all times except when seated in the Great Room to eat.
- Social distance, maintaining six feet between you and other guests/staff.
- Frequently wash your hands.
- Return another time if you are experiencing fever, cough, difficulty breathing, or have other COVID-19 symptoms. If you begin to experience these symptoms after arriving, please inform our front desk immediately.

Required Staff COVID-19 Training

Again, the health and safety of our staff and guests has always been our top priority. However, in this current COVID-19 situation, we have developed a comprehensive training program for our staff that includes detailed information about the virus and how to control its spread. Our entire staff is required to participate in this two hour training program prior to returning to work.

We appreciate you choosing to stay with us at AmishView Inn & Suites. We look forward to serving you to the best of our ability in this challenging time and appreciate your patience.
